### Technical Symbols/Marks/Approvals

## Etim

GROUP EG000032 - Installation bus systems

CLASS EC001099 - System interface/media gateway for bus system

Mounting method	Other	Voltage type	AC	Degree of protection (IP)	IP20
Width in number of modular spacings	0	Model	Ethernet interface	With LED indication	Yes
Bus system KNX	No	Bus system KNX-RF (Radio Frequency)	No	Bus system radio frequency	Yes
Bus system LON	No	Bus system Powernet	No	Radio frequency bidirectional	Yes
Max. number of devices per channel	80	Updateable	Yes	Operating voltage	230-230 V
Protocol	TCP/IP	Provider dependent	No	Visualization	Yes
Web-Server	Yes	Radio interface	No	IR interface	No
